5. We would like to advise that in calculating our membership fees for the 'Can't Help' and 'Half a Help' membership categories, we have adopted a working bee hourly rate of \$25 per hour (previously \$18.13 per hour). Any unworked quarterly hours for the 'Happy Helper' membership category, will be invoiced quarterly at \$30 per hour. We hope that the members can appreciate that it is almost impossible to replace unworked hours with outside contractor time at these rates.
6. The Dressage Riding Member is only available as a 'Happy Helper' membership, subject to any unworked quarterly hours being invoiced at \$30 per hour.
7. In order to maintain the condition of the Club's arena surface, all temporary show jump structures are to be moved on a regular basis, take off and landing spots are to be raked after use and a fully erected dressage arena is only in place for competitions, clinics and protocol days.
